#25: I Didn't Want You to Realize

Take off that lab coat too, please. ♥
Kazu-miya-san,
stay still for me, alright?
Wait—. Where are you trying to touch me!?
Hya!
Just don't move. Now for your bust
Wha— Stop that!
Okay! Your measure-ments are complete!
Thank you so much for your coop-eration!
Now I've got a good idea of how many pieces of various sizes we'll need to make
It'll work best if we try to keep it to around three basic types...
Thank you!
Ho...ld on a second!

Class I-C is doing a Glasses Cafe!
Huh? You don't want to?
You want me to wear that, too!?
No!!
Model. Enomoto Eiko

Even the boys are doing it
EHHHHH!

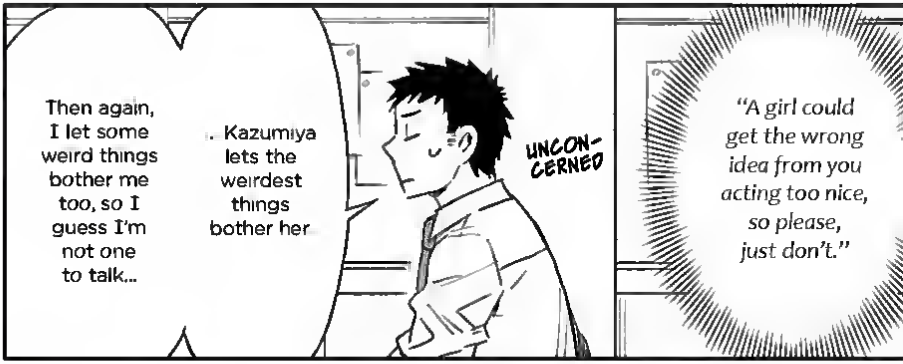
2

Thank you very much!
And it looks great on Enomoto
I heard you came up with the design yourself, Kurihara? That's pretty impressive!

Oh!
So you finished the costumes!
SLIDE

Wha-!?
GYA!
Ah!
Sensei!
It just so happens, Kazumiya-san just offered to wear one as well!
SNEAK
SNEAK
Ohh! So you decided to participate after all, Kazumiya!
Glad to hear it. Good luck!
Well, I'll come check on you guys again later.
Hmm

That just now... didn't seem weird, did it?
Mmm
.....
CLACK



Then again, I let some weird things bother me too, so I guess I'm not one to talk...
...Kazumiya lets the weirdest things bother her
UNCONCERNED
"A girl could get the wrong idea from you acting too nice, so please, just don't."

Mmm?
Ah, Kunihiko-sensei!

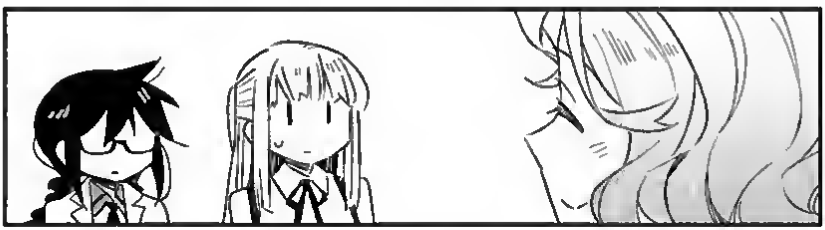
I was just doing what seemed right, from my own perspective.

S-Sensei has nothing to do with this!
But, Sensei seemed happy about it, didn't he? So what's the problem?
Why would you go and say something like that!?
You damn slut!
Huh?... Ah.. yes Of course!
Don't just suddenly drag me into the conversation, please!
Right, Enomoto-san?
I think it'll be fun to participate in the cultural festival with you.
Besides,

Please, spare me.

.....
And the cultural festival would be lonely without you
It'd be nice to become friends with you, Kazumiya -san.
But it's true!
By the way,
I was thinking I might confess my love to Sensei during the cultural festival
!?
Wait... Hold on a second! What is that supposed to mean!?

I wouldn't call it "sudden." This is something I've been considering for quite some time.
I just thought I'd let you know in advance. In the interest of keeping things fair
I understand Japanese!
Um, well... During the cultural festival... I'll confess my love... To Sensei...
Why now!? Why so sudden!?

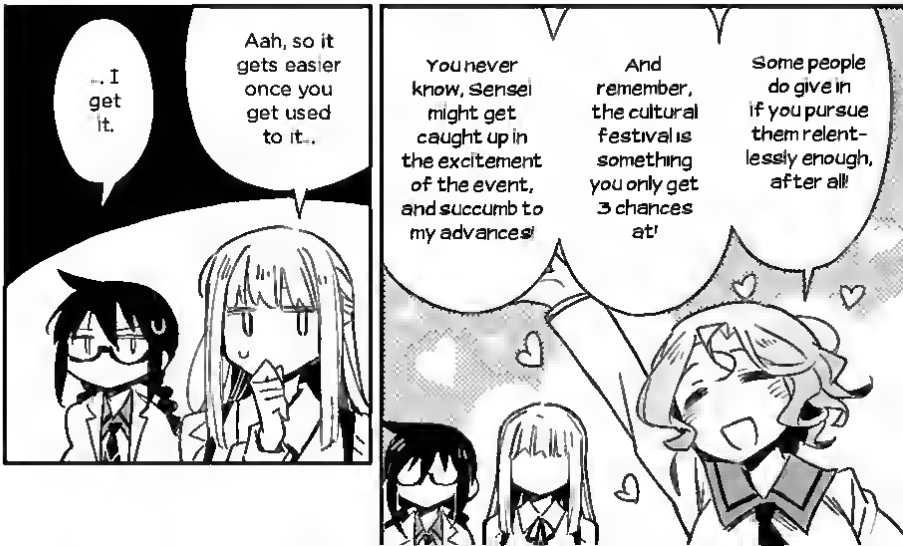


Also, considering how slutt-... unreserved you are, isn't it kind of pointless to do the whole confession thing?
You've been pretty public about it already

I don't... think Sensei would just go along with something like that
Sensei's... not that kind of person.

I'll confess my love as many times as it takes.
Still, even if I fail, or my efforts seem pointless,
...Hmm.

Is there something strange about that?



...I get it.
Aah, so it gets easier once you get used to it...
You never know, Sensei might get caught up in the excitement of the event, and succumb to my advances!
And remember, the cultural festival is something you only get 3 chances at!
Some people do give in if you pursue them relentlessly enough, after all!

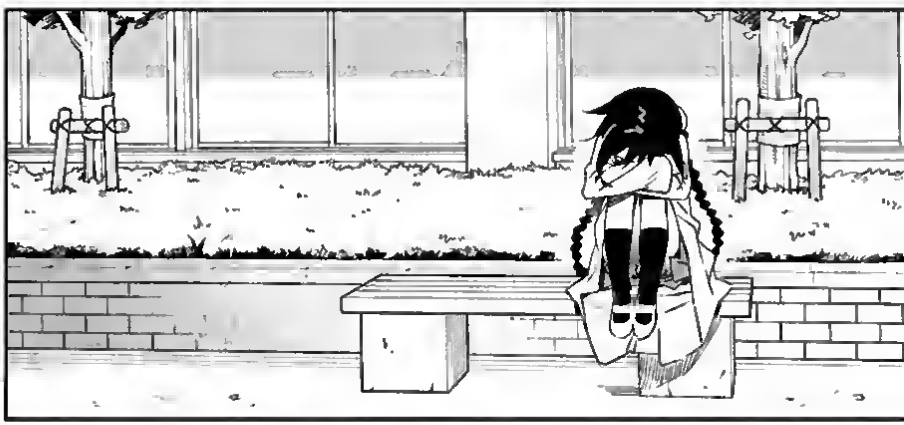
It really would be easy,
and yet...

CLACK
SLIDE

STEP

Ohh, I appreciate it
Also... Here's a discount coupon for the food stalls
I'll definitely come check it out

STEP



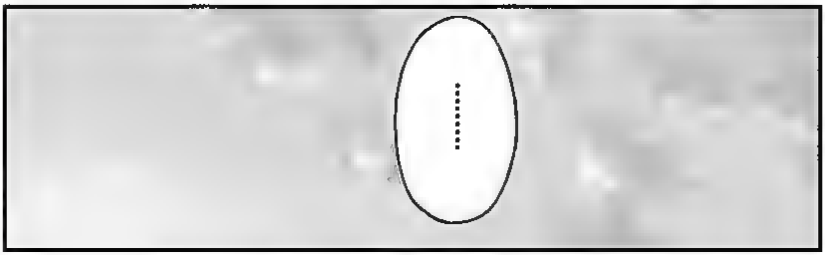
Kazu-
miya?..

I'd better keep this nice and low-key.

PASS

I'm..
I'm fine.

Yeah?
Don't push yourself so hard you collapse like last time, okay?



.....

...
Sensei.

Kurihara-san said she was going to confess to you during the cultural festival.

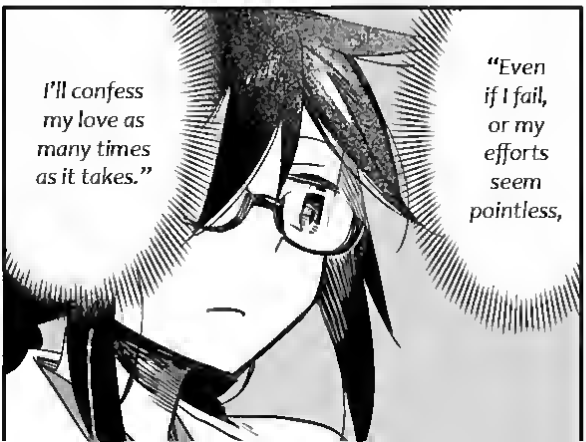
.....

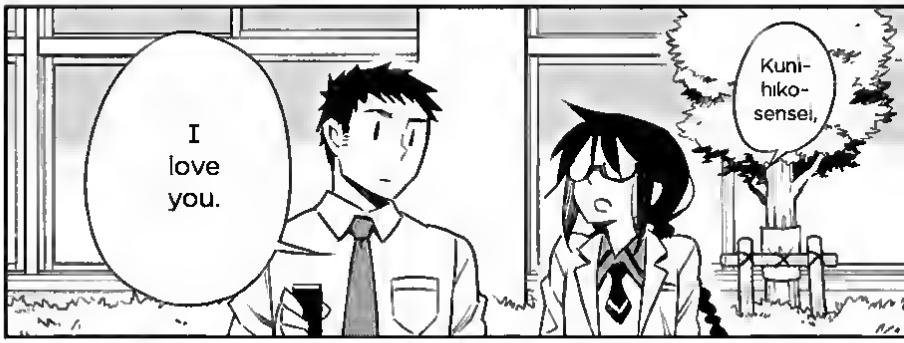
I wish Kurihara would give me a break and give it up already
Is it okay for you to be telling me that?
Oh.. Oh really?..

If...

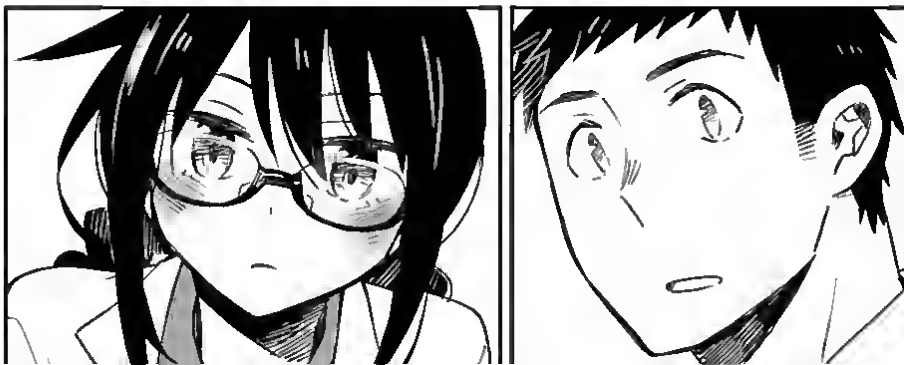


"Even if I fail, or my efforts seem pointless,
I'll confess my love as many times as it takes."

Huh?
What would you do?
If I confessed to you...



I love you.
Kunihiko-sensei,



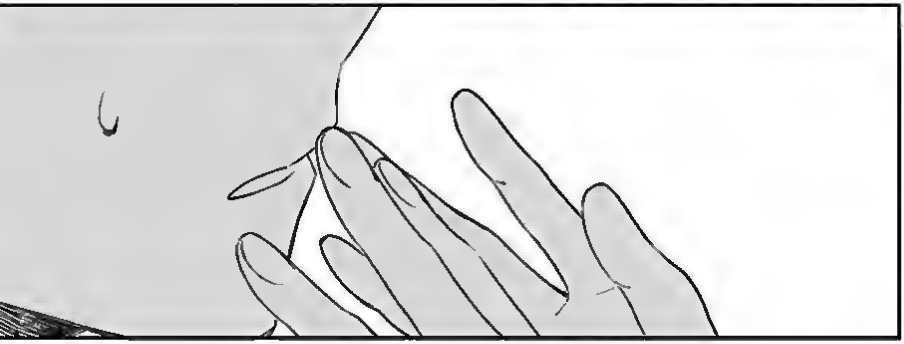
Thanks for that.
Ahh... Ahaha...
...Oh.
You mean like you said before, right?

If you came too, it'd make a good reference point for-...
Seems like Koyuki-sensei's going to go too, so I was thinking I'd probably swing over to her school and check it out.
So... So anyway, Hibiki-chan came by just earlier... You know, about her cultural festival...

Would you please listen to what I'm saying!

Sensei,
I
really
do
love
you.

.....
I'm... not-...
MMPH!
SWISH



JU...
JUST KID-DING! ...

Y-YOU'RE JUST AS EASY TO FOOL AS EVER.
DI-... DID... DID YOU THINK I WAS SERIOUS?
.. Okay, so...
I'm gonna go.
Bye.
